“ Dear Ricky:

I want you to know that I too miss you dearly. We always were like brothers when together, and we will always be brothers in Christ and in our hearts. I speak with our mother regularly, and she is living well. I spoke with her for almost an hour tonight, and I will see her soon for her birthday next week. Please know that I can never take your place in your family heart, but I try to fill your space with love, presence, and laughter. I learn those things from you. Rest in Peace my brother.

“ Heartfelt condolences to all at this time of grief. May the many memories you shared together and the passing of time help to calm your hearts. 1Peter 5:7 tells us that; "Almighty God cares for us."
