“ Mayor Pierce was a strong, hardworking and dedicated leader throughout his life. He made invaluable contributions to the Ouachita Parish School System, the Ouachita Parish Police Jury and the city of Monroe. During his tenure as mayor, I worked with him on many projects that benefit the citizens of the city of Monroe to this day. One of these projects is the Monroe Convention Center. He taught me many things. I believe the most important thing he taught me was the true meaning of Hard But Fair. He taught me this through real life experiences at the workplace. Mayor Pierce placed a lot of confidence in me. I will forever be indebted to him.

“ I wish to thank his family for sharing Mr. Pierce with the Ouachita Parish school system and the Monroe community as an educator, administrative educator and as Mayor of Monroe. I had the pleasure of working with Mr. Pierce (Abe) when he served as Mayor of Monroe. We worked on the development of the State Farm building, Tower- Armand and Broadmoor- Evangline streets. They remain the only streets with underground utilities and now the State Farm building houses the ULM Pharmacy Department with hope of a further medical related development research park. Abe was a gentleman and scholar. May God's mercy be with his family.
