“ Brenda and I were lunch buddies when I worked in West Monroe. We went to Subway, Taco Bell and Catfish Cabin at least once a week. We also made a weekly trip to the shoe department at Dillard’s. When the company relocated me to Atlanta, we kept in touch. She graduated from high school with my Uncle Shack so I was the “messenger” for the two of them. I’m going to miss my friend. Rest in power Brenda! You’re going to be missed! My forever friend! 🙏🙏
