“*To the family, my prayers are with you. I will miss Big Mama also. I still remember the conversations we had in those early years regarding the green wallpaper in the bathroom of my house. We laughed a lot. I thought she didn't like the fact that it was wallpaper but in talking to Rose it was the color green. Green wasn't her color. It isn't mine either so that made follow on conversations even more funny . I will miss her smile which came thru the phone when she talked especially about her kids and grandkids. Love Zarak*

“*To Rose Sorrell, our Dear Sister in Christ: On today we send you our support through prayer. Prayer is the powerful connection between our needs and our God and He is always more than enough when distance is between us like it is today. I can remember the first time I met your Mother in Bayberry and how we could see so much of you in her. A beautiful person inside and out. Treasure all those wonderful memories and they will bring a smile to your face in the days ahead. Hugs and love sent your way. Marilyn, Frank and Shannon*

Mrs. Clara's home was always a special place that the class of 1978 could hang out and have fun and laughter with Rose. She always greeted us with a smile. Her example has left an indelible impression on her children and all those fortunate to know her. Her children radiate so many of her characteristics - warmth, intelligence, loyalty and perseverance. She will live on through them!
