“ Life is so fleeting, and filled with sorrow and joy. I’m so glad God gave us two beautiful children who you loved and took great pride in. They have brought great joy in our lives. Thank you Earl for being a wonderful dad to our children. I’m grateful to God for everything you instilled in them. God gave us such a wonderful relationship that we laughed often I will miss our talks. I will miss your texting just to say “indeed”. Your memory will live in our children. I will not say bye but I will see you again. My prayers will continue to be with daddy Staten and the entire extended family.
