“ Auntie Renee you were loved in every way possible. You not have known it but you were a queen in her own right. I love you I wish there was more time more life . You was always so funny I remember you use to tell us jokes when we’re kids . I also remember you took care of me after I had my son u stayed in the hospital with with me . My mother was gone and u were a great mother to me. I miss you now and forever.
