Gloria has been a friend to me over 50 years, since high school @ Union Central. I am so sorry I won't be able to be there at her Homegoing service. This is more for her family than for her. She's resting in the arms of our Heavenly Father. She has graduated and earned her wings. She doesn't have to deal with the woes of this world any longer and my comfort is she's not in pain any longer. Hope, Brandon, Taylor & Clifton I pray God give you strength to endure your loss; peace in knowing she's in a better place; acceptance in her not being physically with you any longer. She will always be with those that loved her because she's in our hearts. I will continue to pray for you all during this difficult time of loss. Blessings, Delphia Fegans, Garland, TX
