

Jonterio Martese Ealy

March 30, 1992 - May 28, 2013

Our baby, Jonterio, was forever loving and sharing his spirit unconditionally with all. Throughout all of his ordeals, he continued showing a positive attitude. He was a talented artist and loved Anime, video games and talking to others. His favorites were Naruto, Dragon Ball Z and Godzilla. He loved the Japanese culture and his favorite foods were ramen and sushi. He dreamed of visiting Japan and now even though his body will not, his spirit is Free to soar.

God has given him the Peace he so desired. Our lives are richer, blessed, and stronger because of him and he will be sorely missed forever. Thank you for giving of your time to celebrate Jonterio's life with us. He would be honored and overjoyed that you all gathered here for him. Even in his passing you bless him.

May our Lord richly bless you for all the love and support you have shown to us.

“ *God, bless you and your family. I was a teacher at Eastvalley Elementary and truly enjoyed working with Jonterio. He had a heart of gold, so loving. He would ask me often if I would please sharpen his pencil. He loved art! His drawings were amazing! To this day, I think of him when I sharpen my pencil. He was a dear young man. We will one day be gathered together forevermore. I'm sorry that I didn't know about your loss until today. God bless you*
