“ *Mrs. Leil Murray was a pillar in the community and a delightful joy to have known. The wisdom and knowledge she had was arrived by living a loving, respectful, and peaceful life. She was a person that deserved and got respect from neighbors from years past to those present. A mother to the kids in the neighborhood from years past and loved by the community for being that virtuous woman, that those who knew her, could one day exemplify the characteristics that she displayed. So to the family, young ladies and women alike.....her is your mentor, so work on patterning your life to be like the best.*
