“ We didn't know that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, but you did not go alone; for part of us went with you , the day god called you home. You left us peaceful memories, your love is still our guide we cannot see you, thou you are always at our side. Once again the family chain has been broken, and nothing seems the same; but as we go one by one the chain will link again!!!! #MyfamilyBeblessed# love lola and Family
