When I visited Ms. Mitchell at the hospital in December, we talked about death. I asked if she's planning on going to heaven. She replied, "yes I am. I will disappointed if I don't make it." I laughed and said "I will be disappointed too. If I don't make it." Ms . Mitchell,I believer you make it because you loved God.. Secondly. you loved family, friends and even strangers. Last but not least, you loved your pastor, Pastor Robinson and the Union Chapel Baptist ChurchFamily. We love you and will miss you.

“ *Madea, hope you are happy to be with your parents. Your wish was my command to complete your task. It wasn't easy grandmother to complete. God gave me strength to win the war. You told me it's beautiful in Heaven and I believe you. Grandma, I love you too baby (in your voice). You was the last grandparent I had living. Only the strong will survive. Save a spot for me in Heaven. Love you, Vanessa Paster Brock.*
