“ Dear Family,  
I met and worked with Melba at Nordstrom Oakbrook in Chicago some 20 years ago. We became friends through some difficult personal times and remained so, staying in touch as we both relocated to be closer to our families. I feared the worst when I realized she hadn't responded to my calls. I am sorry for our loss. She was a dear friend and a wonderful woman of God. I know she is in his arms now. May she rest in Peace. I love and miss her. Joyce Myles
