WD

“ It is with a heavy heart that I am unable to attend my sister’s, Pauline “Pie” Baker, memorial services due to the present circumstances, but she will forever be carried in my heart.

There is one truth I have always known in life and that is my sister’s beautiful smile. It was one of the greatest gifts anyone could ever experience. Pauline always managed to smile for herself and others, when she was not feeling her best or experiencing troubling times. She insisted on always bringing joy, compassion, and love. Pauline had many a story to tell and always shared her special love of football to everyone.

Pauline never passed a stranger without spreading the word of God and inviting them into her heart. It’s times like this that truly test our faith. When things seem so weary, we have to remember that God will not let us suffer any more than we can bear. By calling on our faith and putting our trust in God, we will find the peace and comfort that we are seeking to ease our pain.

To my sister – the moment that you left this earth, my heart was split in two; one side was filled with memories; the other side died with you. I often lay awake at night, when the world is fast asleep, and take a walk down memory lane with tears upon my cheek. Remembering you is easy, I do it every day; but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will forever remain. You see, life has gone on without you, but it will never be the same. O

I would like to give thanks to all of those who’ve participated in loving my sister throughout her life and are celebrating her during this time.

You will be in our hearts, always and forever.
