“ I want to thank you for sharing Officer London with us to protect and serve. An outstanding caring and dedicated man to family, church, life, friends and community. His presence of stopping in at the bank made our day, and gave us an opportunity to check on him and the family. He is greatly missed, but his energy and memories of his life will continue to live on in each of us that let him impact our lives. Comfort, and blessing in looking to GOD.

“ You all are in our fervent prayers. We thank God for meeting Mr. London. He was a great protector when Raven worked at the prosecutor's office. At New St. James, he was a great deacon. Thank God for his life, his wife, his beautiful daughters and granddaughters, and his handsome grandsons.
Love, the Lamon, Roslyn, and Raven

*The community of Bernice will miss the warm, kind spirit of Resse; but just know he...
Resting now in a prepared place..
Everlasting peace of God's Amazing Grace.
Stepped over the finish line and won his race...
See you have so many precious memories to share and embrace..
Each and everyday that seems dark, know that God will help you face..
Heartfelt sympathy and prayers Patty Sue 🙏❤️

May the Lord put peace in the London family at this time. My brother Reese will always be in my heart. He and I worked together for years in law enforcement. From LTI to the Monroe Police Dept. I will always love you and thanks for your kindness ,companionship, and love!
