“ *Five years have passed, and I still carry tears in my heart. I miss you every day. How does a mother stop the pain of losing someone who is part of her very being—someone who came from her body and lives within her soul? I don't believe I will ever truly say goodbye to a part of myself, nor could I ever do so.*

I thank God for allowing you to visit me in spirit, reassuring me that you are safe, at peace, and with Him. That comfort is a gift I hold close.

I will love you always and forever.

*Love,
Mom*

“ *I will truly miss your goofy laugh, your beautiful smile, and your pranks. You would ping me every single day saying, Good Morning Fe! You introduced me to pickles with Tony seasoning lol! At first I leery, but girl did I come to love it. Thank you for always pushing me to do more and stepping out the box. You made a lasting impact on my life, and for that, I'll never forget you. I will think about you always, I will talk about you still, you have never been forgotten, and you never will, I'll hold you close within my heart...until we meet again. Rest well my FRIEND!*
