“ *My Dear Cousin Thea,*

Your electrifying smile and contagious personality will surely be missed. I was so excited that you were excited to begin helping organize a virtual family reunion based on our family history research. In your honor I will continue with this effort. Keep 'em laughing in heaven!

“ Thea...I know that you are resting and at peace now in your Heavenly Father's house where we all want be when our race is over. I am truly going to miss that smurky smile that you do while asking 10 thousand questions about something simple and then throw your head back with that distinctive one of a kind laughter...it defined your middle name " Joy ". It is too hard to say goodbye so I will say ...until we meet again my classmate, my sister, my friend. I Love You ❤️

“ *Thea will be truly missed as she was one of the focal points for organizing our High School Class of '81 activities. She had such a caring heart and always demonstrated concern for others. I still can't believe she is no longer with us (physically); however, I realize that God had a plan for her to come home to be with Him. Rest In Peace Thea.*

We all are at a loss over her untimely passing but we know for sure she is home now with her Heavenly Father. She was a great lady and we, the class of 1981 will miss our dear friend. Rest In Peace my friend! You have earned your wing!*
