“ You truly will be missed! I will never forget you gave me a key to your home and heart 24 years ago. Also your send off is like our concert night years ago dancing to Joy & Pain.

*Mothers are special people, especially ones like yours. The heart that your mother had for others is a rare gift to the many people who had the privilege to know her and be blessed by her. Her gifts extends within her children. My condolences and prayers to you all.*

“ While we never got to meet Theresa Kage personally, but we did get to know her through her sister Brenda Saucer. Theresa loved and had generous heart in supporting our military troops through Their Angels Military Support Group located in Richmond, California. Her letters of support and encouragement for our deployed military troops would be included in our monthly care packages.

*May the family find comfort in knowing that Theresa cared for others and looked for opportunities to share her kind and loving spirit with others. It's our prayer that you find moments of peace and comfort in the midst of your grief.*
